Prayer Requests

Pray for us as we travel with our students this month to our regions second Destino Conference, February 15-18th.

Pray that God would prepare the student's hearts for what He is going to do at the conference and that lives would be changed.

Pray that students would go back to their campuses and communities eager to share with others more about our Savior Jesus.

Pray for our organization Campus Crusade as there will be some re-organization of our ministries to better reach the entire campus community. Pray for us and how this will affect our personal ministry as we have been personally challenged to make some transition in our scope & focus.

A NEW LIST TO PRAY FOR

We received our assignment for the summer! Our family is going to Orlando, Florida to attend the Institute of Biblical Studies (IBS). We will be completing four of the eleven seminary courses that Crusade requires us to complete in the 1st Seven years we are on staff. We use the Scriptures every day in ministry. Whether we are proclaiming the life-changing message of the gospel or helping ground students in the truth of God's Word. The purpose of IBS is to provide us with a growing biblical and theological foundation for a lifetime of ministry. We will also continue to coordinate and coach two separate groups traveling to San Salvador, El Salvador! One open to all students in Campus Crusade and one for Destino students from across the nation. The winter quarter is underway and we are very excited to build another team from among our own students. Would you pray that God would move in the lives of our Destino students? Pray that He would give them the desire to go and that time conflicts, schooling and funding would not be issues for them. We have listed our students, so you can pray for them by name .
