

Hello from Davis!

We can't believe we are almost a full month into 2009 already! We had a memorable New Years in Sunny San Diego once again as we traveled to the 11th Winter Conference we have had the privilege to be part of in our Region. Together, with over 800 students from all over CA, AZ, & Hawaii, we gathered to hear from amazing speakers, to worship together and to take the Gospel into the local community. It was an experience that we are praying "Changed" our students hearts to feel the burden to take the Gospel back to their campuses and to reach the Communities they are in every day. Here's a quick break down of the week and our "Day of Faith" ...

We partnered with 13 Local Churches

We gave out 270 "Boxes of Love" (food for 4)

We initiated with 2023 people

We shared the Gospel with 494 people

We prayed with 54 people to receive Christ!

Praise God!!!!
