KEN AND AMY RUSTRUM

**CAMPUS CRUSADE
FOR CHRIST**

Dear friend,

*In less than a month, Ken and I are heading to Texas to meet up with our team of twenty students and staff to lead them in a summer of life changing outreach, evangelism, and personal growth through bible study and discipleship. Here are **3 reasons why we are SO excited for the Dominican Republic Summer Project:***

*1. **Seven Davis Destino students** have committed their time to growing in their ministry skills in the Dominican Republic this summer. Those students will return home and to Davis in the fall with a **bigger heart for the Lord** and to see His **Great Commission fulfilled!***

*2. **Tens of thousands of people** will get an opportunity to respond to the gospel in the Dominican Republic this summer. The Universidad Autonoma de Santo Domingo is the oldest university in the Americas and **the second largest university in the Americas with 167,533 students!***

*3. **We are pioneering a new Destino Summer Missions Project.** Yes, once again we are breaking new ground for the Destino ministry of Campus Crusade for Christ as we take a student and staff team from the ministry into a new country!*

*We are so excited to invest in students' lives in the Destino Dominican Republic Summer Project; **please join us by investing your finances and prayers.** To pay for our family's travel, housing, food and ministry materials for our team, we are trusting the Lord to provide **\$8000** through the generosity of people like you.*

*Please use the enclosed response card to **respond by July 20th with your check, monthly pledge, and /or prayer requests.** We commit to keeping you updated on how we see the Lord work in students' lives this summer, as we commit to lifting YOU up in prayer as well!*

Thank you for your partnership!

Loving and serving Him alongside you,

Ken & Amy
