Prayer Requests

Praise God because He is full of mercy!

Ken has already seen 4 students accept Christ as he has been meeting with new students this year.

Pray for them by name...

Joshua, Jason, Osvaldo, & Illiana.

Pray they would grow in their faith and get involved in a small group bible study.

Pray that God will be with Ken as he coordinates plans for our movements annual Fall Retreat which will be October 26-28th. All of our ministries will take part in this event. Pray God to be in the center of all of these plans, that he would lead students from each of our movements to go (so that they would each be well represented), and that He would use this retreat to work in their lives.

Fall Quarter.

Pray for us to continue to be submitted to the Holy Spirit in all we do.

REACHING EVERY STUDENT

You could say that the fall quarter for our ministry is always the busiest quarter of the year. You could also say that the month of September is the busiest month of the fall quarter. It's a crucial time for our ministry as we launch the new school year. We capitalize on every opportunity to make ourselves known to incoming freshmen as we strive to expose as many students to the Gospel as we can.

How do we do this practically? We try to meet as many students as we can. We plan a frenzy of activities the first week the students arrive, we send mailers to every dorm room, we advertise on all the student networking websites as well as all over campus, we survey over two thirds of the freshman class as they arrive to campus, honestly the list goes on and we are still, 30 days later, working to reach every student.

Honestly, it's a lot of work. You would think it would get tiring after awhile, starting over each fall, but we are driven by the fact that we see how students are bombarded as they arrive to campus. There is tremendous competition for their minds and their hearts. For most of these students it is the first time they've been away from home for any extended period. It can be a very exciting, challenging, confusing, or even lonely for them. Many do not know Christ and statistically if they do not accept Him as their savior before they graduate from college, they very likely never will. We strive for our students to know Jesus and make Him known here at Davis, Sac State, & beyond. Which is why we believe in building multiple movements on our campuses so that every student would know someone that truly follows Jesus.

The ministry as a whole in Davis continues to increase as our staff team leads 5 separate movements again this year. Our teams resources are stretched thin as we continue to step into uncharted waters of ministry with multiple movements, with less laborers than ever. Our staff team is down to 5 full-time laborers this year. It keeps us dependent on God for energy and resources. Its been quite a crazy quarter! Read more stories on our website – www.kenandamy.com.
