

Greetings from Davis! As you read this short note we are preparing to welcome back our students and launch our movements here at UCD. Some of our team is in full swing as Sacramento State launched just after Labor Day and hosted their first meeting on the 2nd... they had a great turn out as we rebuild this movement. Next week we begin meeting with our students and making the final preparations before "Welcome Week" and the Freshman move-in on the 20th. Thank you for all your prayers as we plan for this crucial time for our ministry in the midst of awaiting the arrival of Andi, our newest family member, due any day.

Many Blessings,  
Ken, Amy, & Mia
